Dear Karthy

IMSSA PANEL ADMISSION

I have pleasure in informing you that, in terms of a decision taken by the IMSSA Board, you have been admitted to the IMSSA panel of arbitrators with immediate effect.

Our regional client service department will contact you shortly to ascertain your availability dates.

Being an IMSSA panelist already, you will be aware of IMSSA policies and procedures. A copy of the Code of Professional Responsibility applying to arbitrators is attached, and please ensure that you comply with this Code when conducting processes. Please also have reference to the IMSSA fee policy, and please note that your membership of the panel is subject to evaluation in terms of IMSSA policy.

Kindly note that you will be expected to attend refresher seminars and the IMSSA national conferences.

Should you have any queries in regard to your membership of the IMSSA panel, please do not hesitate to contact your regional director in this regard.

It remains for me to welcome you to IMSSA's arbitration panel, and I hope your membership of the panel will be happy and productive.

Yours sincerely
